Emergency Pothole Repair on the Ramp from Inbound Stevenson to Northbound Lake Shore Drive

CHICAGO – The Illinois Department of Transportation (IDOT) announced that emergency pothole repairs are underway on the ramp from the inbound Stevenson Expressway (Interstate 55) to northbound Lake Shore Drive (U.S. 41), in Chicago, Tuesday, October 4.

In order to complete the repairs, one lane will be closed on the ramp that carries traffic from the inbound Stevenson Expressway to northbound Lake Shore Drive. The repairs are expected to be completed by Wednesday morning, weather permitting.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
